

15 April 2011

NOTICE TO OUR VALUED SHIPPERS

We regret to advise delays to the next *Forum Pacific* voyage, due to adverse weather. Over the last 48 hours, sea and wind conditions brought about by a low pressure system have, at times, reduced the ship's speed back to Auckland (to load voyage 13 Niue cargo) to little more than 2 knots.

We now estimate arrival at Auckland on or about 18 April 2011, and next discharge of cargo at Alofi on or about 25 April 2011. We apologise for the inconvenience this will cause our customers on Niue, but hope that you will understand that the adverse conditions are completely beyond our control.

The full schedule for voyage 13, based in current progress and information, is therefore as follows:

Auckland	18/04/2011
Niue	25/04/2011
Rarotonga	29/04/2011
Nuku'alofa	06/05/2011
Vavau	07/05/2011
Auckland	13/05/2011

We will do whatever we can to try and make up time, but once again apologise for this disruption to your service. Should you require any further information at any time, please contact your nearest Reef agent.

Many thanks
Ewen Grant
