

CUSTOMER NOTIFICATION

30th June 2010

IMPORTANT CIRCULAR TO OUR VALUED CUSTOMERS

The Port of Melbourne will increase their wharfage charge and channel Infrastructure charge on the 1st of July 2010. Please refer to their announcement on their website.

<http://www.portofmelbourne.com/>

Under the Port of Melbourne tariff, wharfage for 20 ft containers increases to AUD38.40 and the infrastructure levy to AUD33.10.

As a result there will be an increase in the Melbourne Port Service Charge for all export cargo. This will commence from the M/V Florence V0006N.

The Port Service Charge will increase by the below amount.

AUD7.00 per TEU for containerised cargo
AUD1.00 per revenue tonne for Break Bulk Cargo

Should you require further details or information, please contact your local Inchcape office.
