PDL provide this information in good faith and will accept no responsibility for transport costs incurred prior to or during delivery of export cargo. Shippers & Transport Companies have the responsibility to confirm all receipt times with Pacific Direct Line Ltd, prior to dispatching transport.

All hazardous documentation must be correctly signed and accompany cargo when delivering cargo to wharf. Incorrect or incomplete documentation could result in container being rejected at the terminal gate. DG must also be pre-approved before delivery. DG Certificates must be submitted for approval 3 days prior to arrival.

We reserve the right to alter hazardous cargo **receipts** at short notice to comply with local port authority requirements. Breaches of these requirements may require the shipper to remove cargo from the wharf at their own expense if delivered contrary to our instruction or at POA / Terminal instruction if documentation is incorrect or contents incorrectly packed.

SHIPPERS LETTER OF INSTRUCTION (SLI)

PLEASE ATTACH A COPY OF YOUR CEDO WITH YOUR SLI WHEN FAXING
