We are experiencing unprecedented volumes of cargo for *Southern Lily* and *Southern Fleur*.

To accommodate all bookings and in order to move all the available cargo as efficiently as possible we have chartered the "MCP Villach" to operate a one off voyage from New Zealand to Fiji.

The vessel will load in Auckland next Tuesday 11 October and proceed direct to Lautoka then Suva.

The scheduled dates are as follows

Auckland	11 October

Suva	16 October

Our Customer Services & Sales team will contact you to advise amended vessel details and confirm that all is in order to shift your cargo to this vessel.

From November we are introducing the Southern Reef and splitting the schedule of the *Southern Fleur* so envisage we will handle all cargo bookings with the three vessels, *Southern Lily*, *Fleur* and *Reef*.
